## Erratum

# Erratum: Rodrigo-Mor et al. Principles of Charge Estimation Methods Using High-Frequency Current Transformer Sensors in Partial Discharge Measurements. *Sensors* 2020, 20, 2520

Armando Rodrigo-Mor \*, Fabio A. Muñoz and Luis Carlos Castro-Heredia

Electrical Sustainable Energy Department, Delft University of Technology, 2628 CD Delft, The Netherlands; f.a.munozmunoz-1@tudelft.nl (F.A.M.); L.C.CastroHeredia@tudelft.nl (L.C.C.-H.)

\* Correspondence: A.RodrigoMor@tudelft.nl

The authors wish to make the following erratum to this paper [1]: the summation symbol in the Equations (11) and (12) should be a product symbol.

The corrected Equations (11) and (12) appear below:

$$H(s) = \frac{U(s)}{I(s)} = \frac{\alpha \cdot s \cdot \prod_{i=1}^{i=m} (s + z_i)}{\prod_{j=1}^{j=n} (s + p_j)} \quad (11)$$

$$\frac{U(s)}{s^2} = I(s) \frac{\alpha \cdot \prod_{i=1}^{i=m} (s + z_i)}{s \cdot \prod_{j=1}^{j=n} (s + p_j)} \quad (12)$$
