A corrigendum on

[Planning for livelihoods under hydrosocial uncertainty in periurban Pune](#)

by Luft, S., Gomes, S. L., Chakraborty, S., Hermans, L. M., and Butsch, C. (2022). *Front. Water* 4:831464. doi: 10.3389/frwa.2022.831464

In the published article, there was an error in the author list, and authors “Sharlene L. Gomes, Shreya Chakraborty, and Leon M. Hermans” were erroneously excluded. The corrected author list appears below.

“Sarah Luft

Faculty of Mathematics and Natural Sciences, Institute for Geography, University of Cologne, Cologne, Germany

Sharlene L. Gomes

Faculty of Governance and Global Affairs, Institute of Public Administration, Leiden University, The Hague, Netherlands

Shreya Chakraborty

South Asia Consortium for Interdisciplinary Water Resources Studies, Hyderabad, India

Leon M. Hermans

Faculty of Technology, Policy, and Management, Delft University of Technology, Delft, Netherlands

and

Land and Water Management Department, IHE Delft Institute for Water Education, Delft, Netherlands

Carsten Butsch

Faculty of Mathematics and Natural Sciences, Institute for Geography, University of Cologne, Cologne, Germany

and

Institute of Geography, University of Bonn, Bonn, Germany.”

In the published article, there was an error. The **Author Contributions** section is incorrect, due to corrections in the listing of authors.

A correction has been made to the **Author Contributions** section. This sentence previously stated:

“This article was conceptualized and written by SL with supervision, contributions and editing by CB. The methodology was jointly developed by SL and CB. The analysis was led by SL with contributions from CB. Both authors contributed to the article and approved the submitted version.”

The corrected sentence appears below:

Author contributions

This article was conceptualized and written by SL with supervision, contributions and editing by CB. The methodology was jointly developed by SL, SG, SC, LH, and CB. The data collection was conducted by SL, SG, and SC and supported by CB and LH. The analysis was led by SL with contributions from SG, SC, LH, and CB. All authors contributed to the article and approved the submitted version.

In the published article, there was an error. The **Acknowledgments** is incorrect, due to corrections in the listing of authors. A correction has been made to **Acknowledgments**. This sentence previously stated:

“This research is part of the project H2O-T2S in Urban Fringe Areas supported by the Belmont Forum and NORFACE Joint Research Programme on Transformations to Sustainability, which is co-funded by AKA, ANR, DLR/BMBF, ESRC, FAPESP, FNRS, FWO, ISSC, JST, NSF, NOW, RCN, VR, and the European Commission through Horizon 2020 under grant agreement No. 730211. The subproject H2O – Livelihoods in Urban Fringe Areas is funded by the BMBF (01UV1814). Sincere thanks to our colleagues Shreya Chakraborty, Sharlene L. Gomes, and Leon M. Hermans, for jointly developing the methodology, which was also applied in other case study regions of the project, and to Shamita Kumar, Vaishnavi Uchagonkar

and Pratik Khande from Bharati Vidyapeeth Institute for Environmental Education and Research (BVIEER) in Pune for their contribution to the development of the methodology and conducting the data collection in Paud, translating numerous interviews, documents and videos and their guidance to local circumstances. Finally, we would like to thank the two reviewers for their valuable comments on how to improve our manuscript.”

The corrected sentence appears below:

Acknowledgments

This research is part of the project H2O-T2S in Urban Fringe Areas supported by the Belmont Forum and NORFACE Joint Research Programme on Transformations to Sustainability, which is co-funded by AKA, ANR, DLR/BMBF, ESRC, FAPESP, FNRS, FWO, ISSC, JST, NSF, NWO, RCN, VR, and the European Commission through Horizon 2020 under grant agreement No. 730211. The subproject H2O—Livelihoods in Urban Fringe Areas was funded by the BMBF (01UV1814). Sincere thanks to our colleagues Shamita Kumar, Vaishnavi Uchagonkar, and Pratik Khande from Bharati Vidyapeeth Institute for Environmental Education and Research (BVIEER) in Pune for their contribution to the development of the methodology and conducting the data collection in Paud, translating numerous interviews, documents and videos and their guidance to local circumstances. Finally, we would like to thank the two reviewers for their valuable comments on how to improve our manuscript.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
