...in conclusion: who profits?

The City
*Unlocking qualities of im-
portant open space in a
rather dense fabric*

The City
Unlocking qualities of important open space in a rather dense fabric

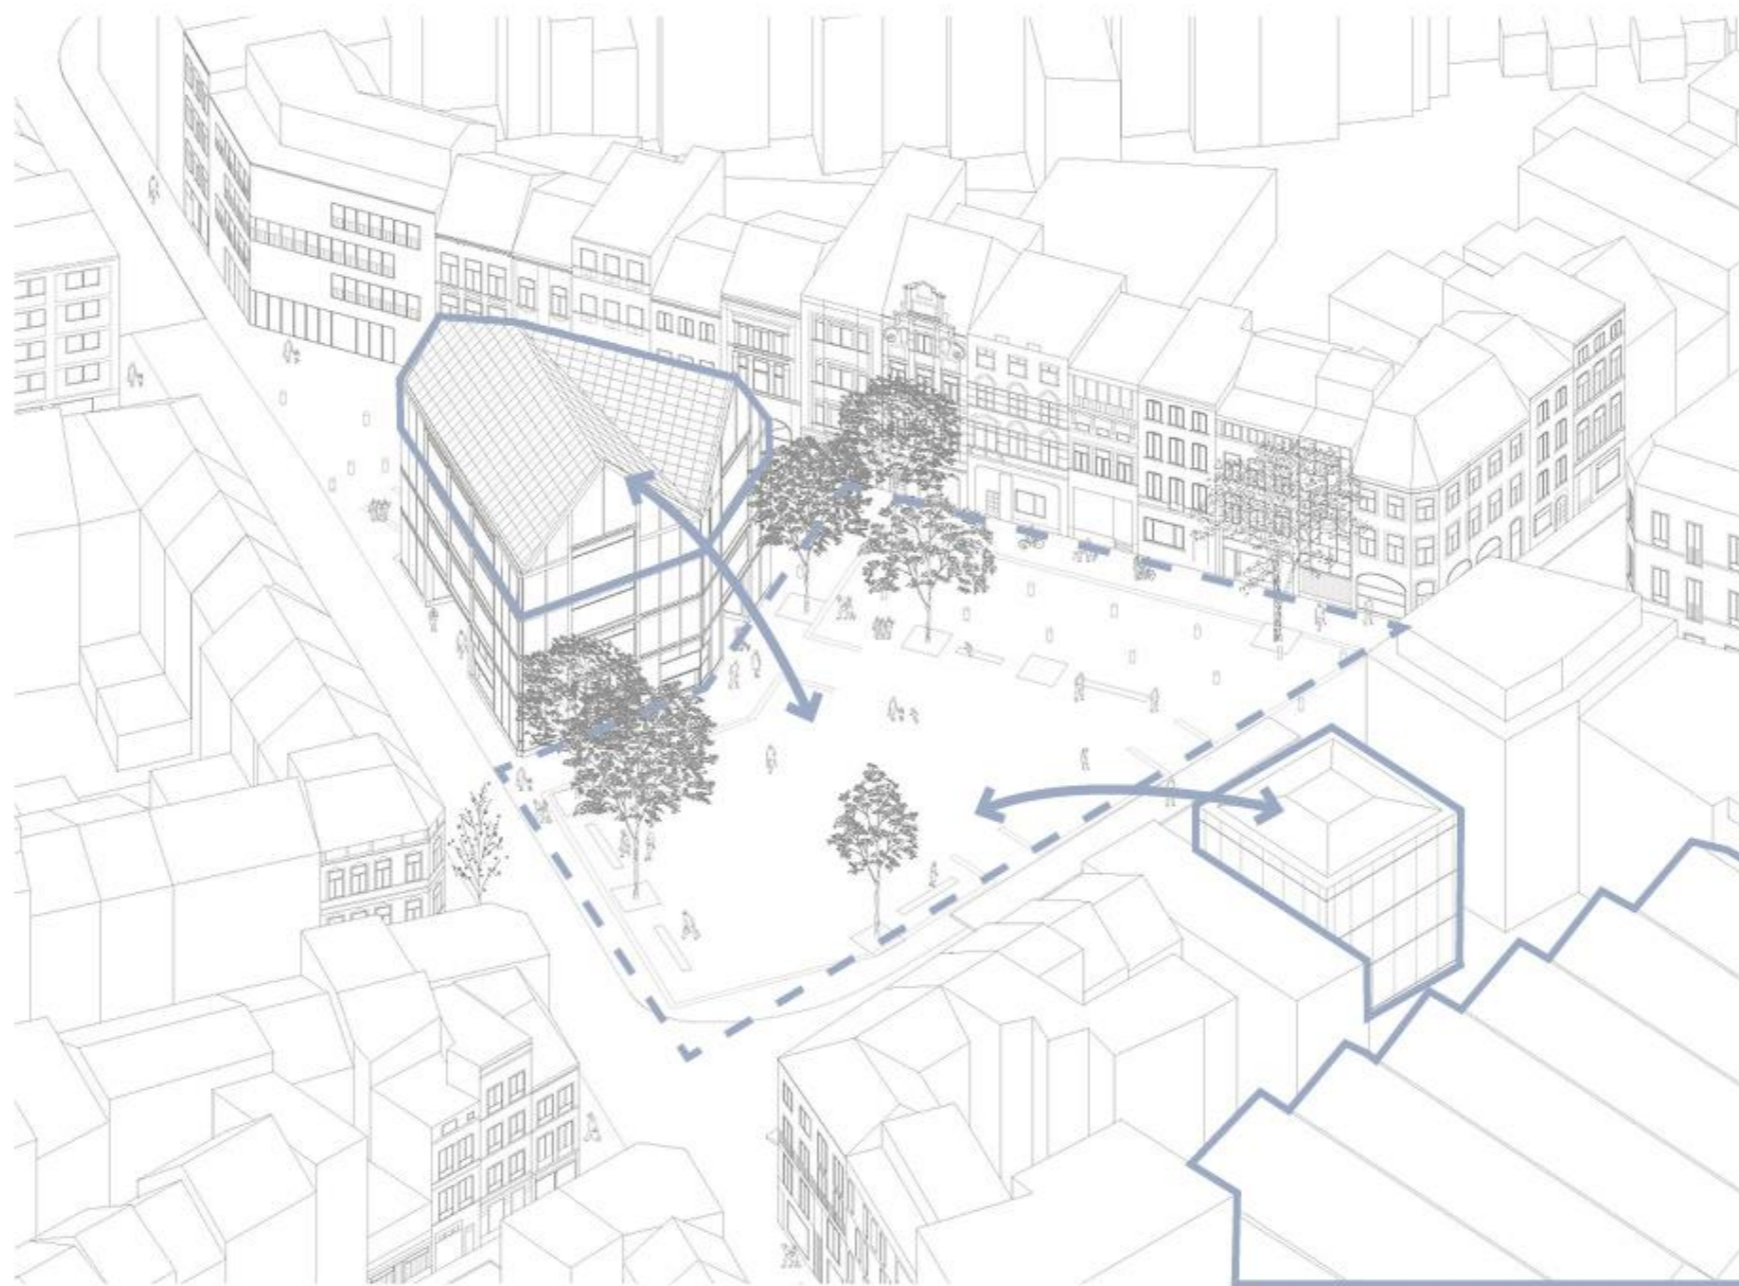

The Neighbourhood
Better interaction with the Coninckplein thanks to new edge, better space definition. Parking ban would be an asset

The City
Unlocking qualities of important open space in a rather dense fabric

The Neighbourhood
Better interaction with the Coninckplein thanks to new edge, better space definition. Parking ban would be an asset

The Government
Redistribution of city resources closer to population in jurisdiction
