Message from the MSR 2022 Tutorials Track Co-Chairs

For MSR 2022, we have invited seasoned software repository miners to give 4 exciting tutorials to our broad community, be it newcomers or mining experts. These tutorials will cover topics such as software bots, empirical standards, mining of blockchain platforms, and MSR features in the integrated development environment.

Tutorial Track Co-Chairs

Foutse Khomh, *Polytechnique Montréal, Canada*

Andy Zaidman, *Delft University of Technology, The Netherlands*
